

Casey Georgi

Experience

Freelance Podcast Producer July 2021 – Present

- Producer for “Alien State”: researched, reported, drafted scripts
- Scriptwriter for “Tumble”

The Wall Street Journal April 2020 – June 2021
Producer, *The Future of Everything*

- Pitched story ideas, led research, and scheduled guest interviews
- Crafted script outlines and drafts
- Cut tape, collected audio, and provided sound design
- Reported and co-reported stories
- Administrative responsibilities: budget filing, social media engagement, liaising between guests, reporters, and fact-checker

Audioboom August 2019 – April 2020
Producer, *What Makes a Killer*

- Translated television show into a 12-episode podcast series
- Researched, revised, and fact-checked scripts
- Provided sound design and mixed weekly episodes
- Copy editor for podcast advertisements

Lifehacker March 2019 – August 2019
Producer, *The Upgrade*

- Pitched stories and conducted research
- Booked and scheduled interviews in-person and in the field
- Engineered recording sessions with hosts
- Edited interviews and sound designed bi-weekly episodes

Wondery & The LA Times February 2019 – July 2019
Associate Producer, *Man in the Window*

- Liaised between reporter, editor, and the Wondery team
- Assembled episodes
- Participated in live edits

Slate Studios
Producer, *Shower Sessions* and *Life Effects* July 2018 – April 2019

Performed research, led pre-interviews with guests and hosts, drafted scripts, assembled tape, and did sound design for three of the six episodes in each branded series.

Salt Institute at Maine College of Art
Teacher’s Assistant August 2018 – December 2018

Provided audio students with support, feedback, and guidance for their projects.
