

Casey Georgi

Experience

Freelance Podcast Producer July 2021 – Present

- Producer for *Cheat!* pitching ideas, doing research, interviewing guests, writing scripts
- Former producer for *Alien State* where I did research, reporting, and drafted scripts
- Former scriptwriter for *Tumble*, a kid's science podcast

The Wall Street Journal April 2020 – June 2021

Producer, *The Future of Everything*

- Pitched story ideas, researched, and drafted scripts
- Cut tape, collected audio, and provided sound design
- Reported and co-reported stories
- Administrative responsibilities: budget filing, social media engagement, liaising between guests, reporters, and fact-checker

Audioboom August 2019 – April 2020

Producer, *What Makes a Killer*

- Translated television show into a 12-episode podcast series
- Researched, revised, and fact-checked scripts
- Provided sound design and mixed weekly episodes

Lifehacker March 2019 – August 2019

Producer, *The Upgrade*

- Pitched stories and conducted research
- Booked and scheduled interviews in-person and in the field
- Edited interviews and sound designed bi-weekly episodes

Wondery & The LA Times February 2019 – July 2019

Associate Producer, *Man in the Window*

- Liaised between reporter, editor, and the Wondery team
- Cut tape and assembled episodes
- Participated in live edits

Slate Studios

Producer, *Shower Sessions* and *Life Effects* July 2018 – April 2019

Led pre-interviews with guests, drafted scripts, assembled tape, and provided sound design for three of the six episodes in each series.

Salt Institute at Maine College of Art
